LAY OF THE LAND

- WHAT DOES WISCONSIN LOBBYING LAW COVER?
- LOBBYING BY THE NUMBERS
- LOBBYING IS...
- THE THREE R'S OF LOBBYING
 - REGISTRATION
 - REPORTING
 - RESTRICTIONS

POLITICAL MARKET

Conscientious Rail-road President to Dealer: "Ah! Let me see. I think I'll take this bunch of Legislators at \$5000 a head. The Senators; at - what price did you say?"

Dealer: "Can't afford 'em less than \$10,000 each."

R.R.P.: "Well, hand them over. I suppose I'll have to take the lot."

Dealer: "Anything else today? I have a lot of Editors, at various prices, from a Thousand down to Fifty Cents."

R.R.P.: "No, nothing in that way, today. But I want a Governor very much indeed, and will stand \$50,000 for him. Get me a Wisconsin one, if possible!"

Cartoon published in *Harper's Weekly* of June 12, 1858, at the time of the Land Grant Investigation

THE LOBBYING LAW:

“The legislature declares that the operation of an open and responsible government requires that:

- the fullest opportunity be afforded to **the people to petition their government** for the redress of grievances and to express freely to any officials of the executive or legislative branch their opinions on legislation, on pending administrative rules and other policy decisions by administrative agencies, and on current issues.
- Essential to the continued functioning of an open government is the **preservation of the integrity of the governmental decision-making process.**
- In order to preserve and maintain the integrity of the process, the legislature determines **that it is necessary to regulate** and publicly disclose the identity, expenditures and activities of persons who hire others or **are hired to engage in efforts to influence actions of the legislative and executive branches.”**

LOBBYING BY THE NUMBERS

In the 2015-16 legislative session:

- **743** organizations (“principals”) were registered to lobby
- **685** lobbyists were licensed
- Principals spent more than **\$67.7 million** on lobbying
- Principals reported spending **383,400** hours lobbying

Equivalent to the entire Ethics Commission Staff (9 people) working full time (40 hours a week) for just under 22 years

LOBBYING Is...

- Attempting to influence legislation or administrative rulemaking
- Includes development of proposal before introduction or attempting to block introduction of a proposal

Does not include seeking a contract or grant, or quasi-judicial decisions

--Wis. Stats. 13.62(10)

QUESTIONS?

SLAE SCENARIO #1

- A principal has communicated two different bills and three different topics this July-December reporting period
- It is now January 25th, and the principal is filing their SLAE before the deadline on January 31—but there are no legislative matters listed under Step 4 of the SLAE, “Allocation of Efforts”

What could have gone wrong?

The principal did not submit 15-day reports for each of the five initial communications that occurred for the legislative matters they have been interested in.

The principal is required to submit each 15-day report (§13.67) so that they can allocate appropriate effort in Step 4 of the SLAE.

These 15-day reports will be considered late because they were submitted more than 15 days after the last possible day to have had an initial communication on a legislative matter inside the reporting period.

SETTLEMENT FOR LATE 15-DAY REPORTING

If this was the principal's second occurrence (within three years) of reporting 15 day reports late, and their 2 bills and three topics collectively constitute 60% of total lobbying effort, then:

2nd occurrence of late reported interest

>=10% of total effort

\$100 per interest=

\$500

2. Late reporting of the first communication on a lobbying matter.

Late Reports	Percent of Total Effort	Forfeiture
1st Occurrence of Late Reported Interest	< 10 percent	Warning
	>= 10 percent	\$25 Per Interest
2 nd Occurrence of Late Reported Interest	< 10 percent	\$50 Per Interest
	>= 10 percent	\$100 Per Interest
3 rd or Greater Occurrence of Late Reported Interest	Any	\$100 Per Interest

Lobbying principals are required by WIS. STAT. §13.67(1) to report each legislative proposal, budget bill subject, or lobbying topic through the Eye On Lobbying website within 15 days of the first communication on that matter. WIS. STAT. §13.69(2m) outlines the penalties for late reporting of lobbying activity. The maximum penalty is up to \$25 for the first offense within a three-year period and up to \$100 for a second and subsequent offense within three years from the first violation.

STANDARD SETTLEMENT SCHEDULE

1. Late filing of semi-annual lobbying report (§13.68) – maximum penalty \$5,000.

Days Late	First Offense	Second or Greater Offense
2 business days	No penalty	Warning
3-5 days	Warning	\$50
6-15 days	Warning	\$100
16-29 days	\$50	\$250
30+ days	\$100	\$500

2. Late reporting of the first communication on a lobbying matter.

Late Reports	Percent of Total Effort	Forfeiture
1st Occurrence of Late Reported Interest	< 10 percent	Warning
	>= 10 percent	\$25 Per Interest
2 nd Occurrence of Late Reported Interest	< 10 percent	\$50 Per Interest
	>= 10 percent	\$100 Per Interest
3 rd or Greater Occurrence of Late Reported Interest	Any	\$100 Per Interest

Lobbying principals are required by WIS. STAT. §13.67(1) to report each legislative proposal, budget bill subject, or lobbying topic through the Eye On Lobbying website within 15 days of the first communication on that matter. WIS. STAT. §13.69(2m) outlines the penalties for late reporting of lobbying activity. The maximum penalty is up to \$25 for the first offense within a three-year period and up to \$100 for a second and subsequent offense within three years from the first violation.

FINAL SCENARIO

A principal employs one contract lobbyist and one full time in-house lobbyist, and one in staff person which spends half of their regular full-time hours conducting research and strategizing with the contract and in-house lobbyists.

What information needs to be included on the principal's SLAE?

**Note: the research staff member never directly communicates with any legislators or legislative staff*

Bonus: Who needs to be licensed/registered, and when?

Contract & In-House Lobbyist hours & expenses (lobbyist time reports)

One research staff hours & expenses

Allocation of Effort (continual reporting throughout the reporting period)

Bonus: The contract lobbyist probably already has a multiple principle license obtained at the beginning of the session. The in-house lobbyist must become licensed before the fifth occasion of lobbying communication within a six-month reporting period. The principal must register as soon as they employ a lobbyist (§§13.62(11) and (12))
